#### **Anti-Gravity - StealthSkater**

Anti-gravity is the idea of creating a place or object that is free from the force of Gravity It does not refer to countering the gravitational force by an opposing force of a different nature as a helium balloon does Instead, anti-gravity requires that the fundamental causes of the force of Gravity be made

#### **The Case for AntiGravity-booklet**

force of gravity) A balloon is NOT an anti-gravity device - it floats because of mass displacement (Archimedes Principle) A Propeller/Jet/Rocket Engine is NOT an anti-gravity device It works by displacing mass from one place to another to generate thrust An Ion engine is not an Anti-Gravity device - it also works by mass-displacement
